ADVANCE INFORMATION

THE POWER OF AUTHENTICITY

Three Principles of Leadership Success

RAJA AL GURG

RANKED NO. 1 ON THE MIDDLE EAST'S POWER BUSINESSWOMAN LIST 2021, FORBES

The Power of Authenticity: Three Principles of Leadership Success is a fascinating and candid account of the obstacles and triumphs that Raja Al Gurg faced on her path to becoming one of the most influential businesswomen in the Arab world.

Al Gurg is the Chairperson and Managing Director at the Easa Saleh Al Gurg Group, an eminent family business in the UAE. In *The Power of Authenticity*, she gives invaluable insight into the lessons she learned first as a secondary school principal, before climbing the ladder of a diversified conglomerate that represents businesses ranging from retail to real estate.

Confident and encouraging, Al Gurg explains how a leadership style based on personal authenticity can lead to business success. Along the way, she considers: What does it take to steer a company? How can a failure be turned into an advantage? How can women business leaders break down barriers and make a difference?
